

Station Cleaning Contracts

Fiscal and Management Control Board

November 18, 2019

Joe Cheever & Jeff Cook

Benefits/Keys to Success

Benefits

- Employee protections
 - Maintain a minimum of 65%/35% full-time to part-time employee ratio
 - Prevailing wage for janitorial staff
 - Incentive program
- Continuous improvement
 - Self-report performance data, using digital tools, against defined quality targets
 - Periodic reviews with the MBTA's third party auditor
 - Working with MBTA vendor management team to manage incentive/fee at-risk program

Keys to Success

- Executing a strong, performance-based contract
- Building and training an exceptional management team
- Hiring the support of professional industry experts
- Going beyond janitorial services for a higher level of cleanliness

Cleanliness Targets

<u>Cleaning:</u> Maintain and deliver service to achieve cleanliness and customer satisfaction targets

General Office	Workshop				
Janitor Closet					
Kitchenette					
Lobbies					
Locker Room					
Lounge					

Procurement Process

Number of RFQ submissions received

Number invited to participate in RFP

5 Number of proposal submissions received

4 Number passed technical

3 Number passed price

FINAL: 2

Best Value Evaluation Recommendations

TMM: Highest Technical Score

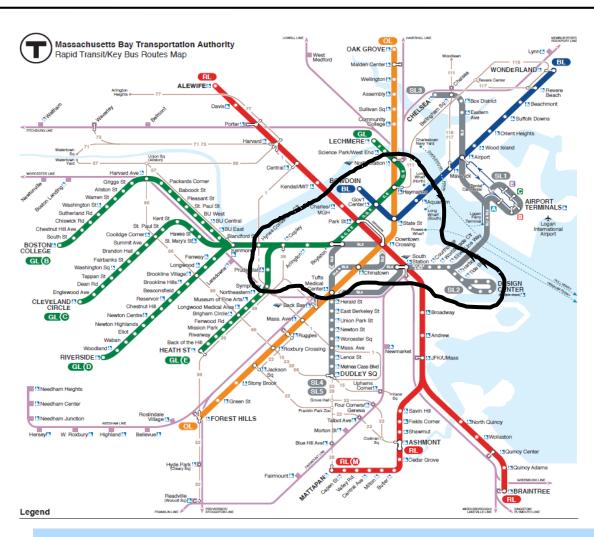

- Did a smart analysis to understand our ridership and formulated a solution to the current problems via strategic equipment and staff deployment
- Presented creative solutions in building the positive perception to the community.
- Expertise and experience in high-traffic locations

ABM: Lowest Price Proposal

- Incumbent (Areas 1 and 3) that knows our system and the requirements needed to perform the work
- International company with proven digital tracking capabilities and proven reporting systems
- Extensive quality control program setup to achieve performance standards
- Well-documented staffing levels and equipment deployment plans

Core Stations/Facilities

Core Stations/Facilities (27 total)

- Haymarket
- Aquarium
- State
- DTX
- Chinatown
- Tufts Medical
- South Station
- Courthouse
- World Trade

- MGH
- Gov't Center
- Park Street
- Boylston
- Bowdoin
- Arlington
- Copley
- Hynes
- Prudential
- Symphony

- Silverline way*
- 21 Dry dock*
- 25 Dry dock*
- Black Falcon*
- Design Center*
- City point bus shelter*
- 45 High Street

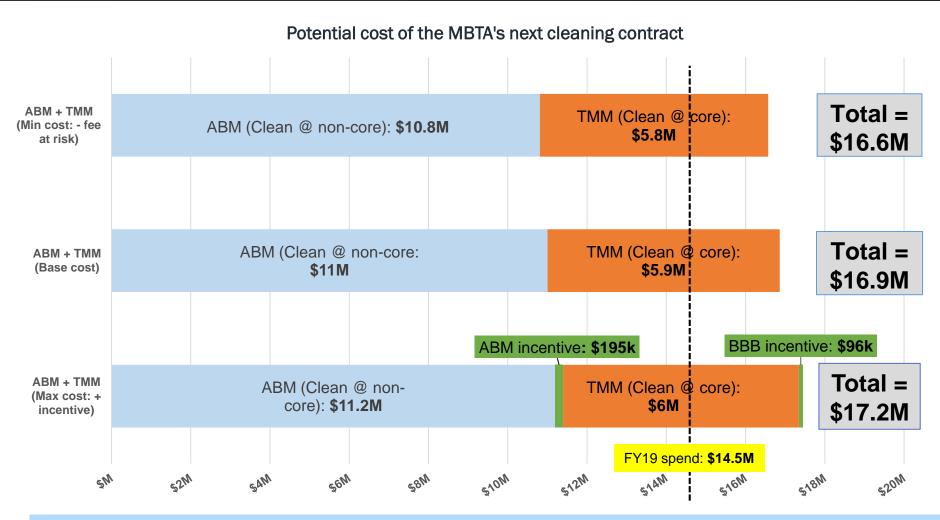

Geographic Definition of Core

East of Charles River South of Zakim Bridge West of Boston Harbor Main Channel Southern boundary:

- Along I-90 to Huntington Ave.
- Huntington Ave. to Mass Ave.
- Mass. Ave. to Charles River

We learned from our station brightening work that a subset of locations needs more attention based upon their proximity to hubs, higher ridership, and complex infrastructure. This key insight produced a grouping of locations called "core".

Project Costs

The projected base cost for year 1 is \$16.9M. ~1.7% is earmarked to incentivize performance beyond current cleanliness targets that could increase the cost to \$17.2M.

Staff Re-structuring and Re-training

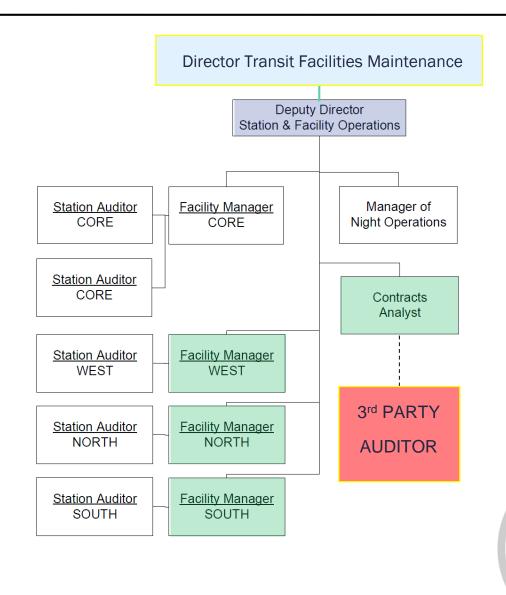

MBTA Staff Hiring

- Director of TFM (July 2019)
- Deputy Director (Posted)
- 3 Facility Managers (Interviewing)
- Auditor Training
