D Branch Station Accessibility Improvements Project**

**Thursday, April 29, 2021
6:00 – 7:30 PM**

Please join GLT for an online public meeting to learn about the **D Branch Station Accessibility Improvements Project**. Currently in the preliminary design phase, the project will improve accessibility at four stations on the D Branch: **Waban, Eliot, Chestnut Hill, and Beaconsfield**. The following features will benefit all Green Line riders: raised and resurfaced platforms, improved wayfinding and lighting, new benches, and redesigned accessible pathways with at least two accessible exits from each station.

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers.

See how to join on the project website under Upcoming Events:
