

### Week in Review and Lookahead

Friday, September 16, 2022

This week, work continued on [Red Line Transformation](#) projects, including signal upgrades. Read below to see our latest updates

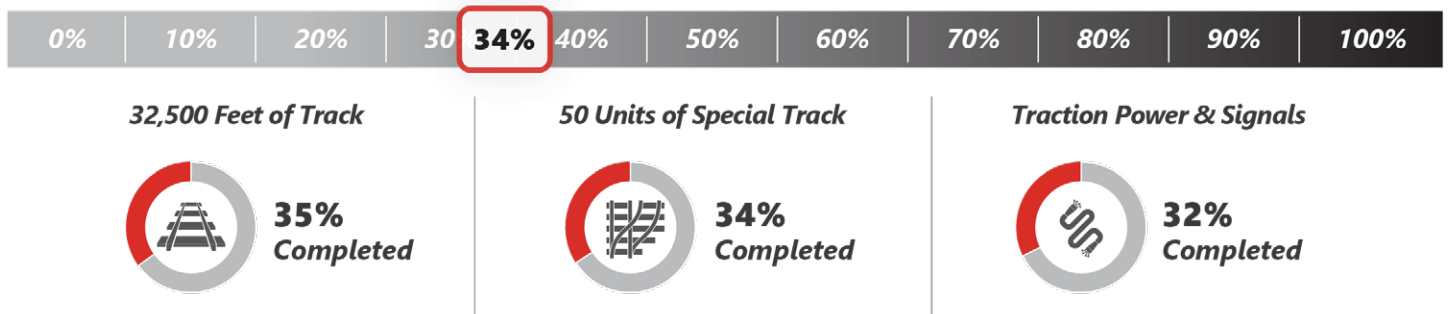

### Signal Upgrade

**Signal Upgrade:** Increasing capacity, through reducing headways with modernized signals.

- ✓ **This Week** | Crews removed old signals equipment and wiring from the signals room at Davis. Crews also installed new signal cable at the new signal house at Ashmont station, and new electrical racks and wiring in the signals room at Quincy Adams
- **Lookahead** | Crews will continue installing new electrical components at Quincy Adams

# Cabot Yard and Maintenance Facility Updates

*Cabot Yard: Upgrade the Yard to increase service capacity, replace outdated infrastructure, and enhance safety.*

*Cabot Maintenance Facility: Modernize the Vehicle Maintenance Facility to improve vehicle maintenance; reducing rider wait times, provide cleaner cars, and deliver safer operations*

\*Schedule subject to change with weather conditions and in accordance with public health directives  
Project percentages represent the value of the installed work
