

Week in Review and Lookahead

Friday, September 23, 2022

Progress continues on [Red Line Transformation](#) projects in design and construction including Red Line Signal Upgrades. See our latest updates below

Signal Upgrade

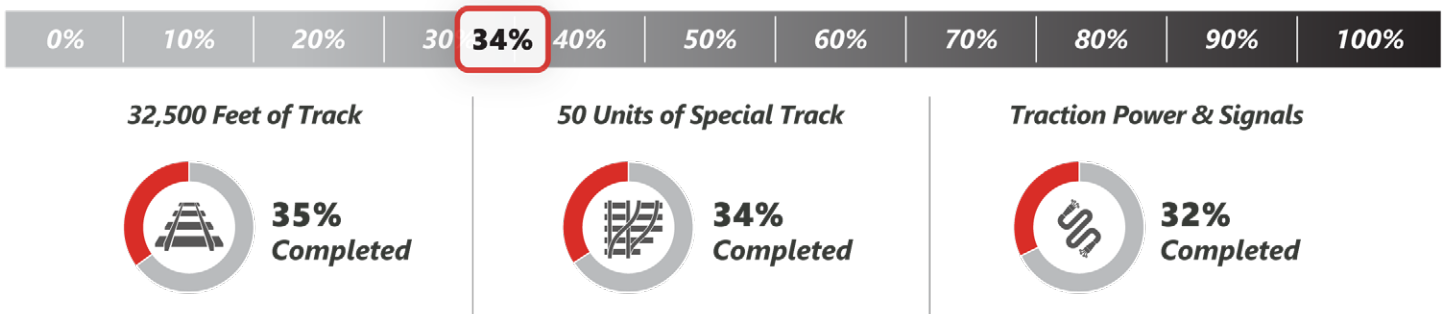

Signal Upgrade: Increasing capacity, through reducing headways with modernized signals.

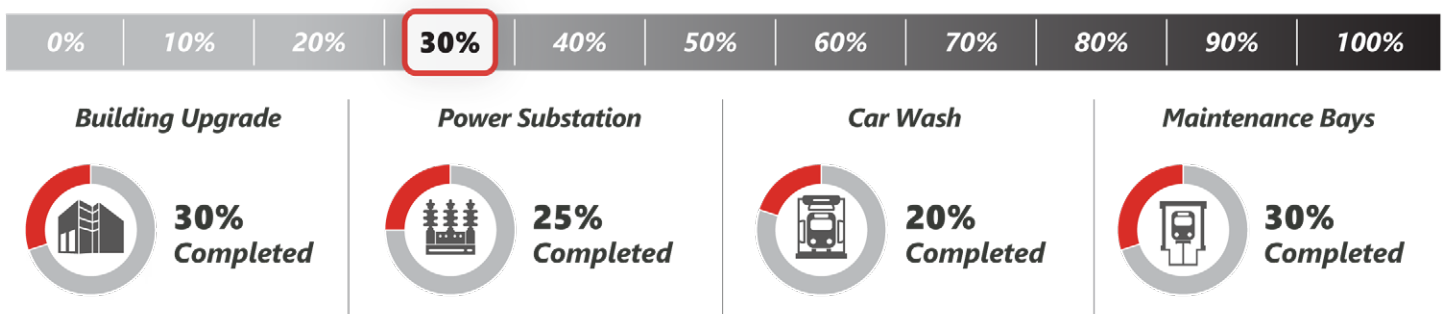

- ✓ **This Week** | Technicians are installing signal cable at the new signal house at Ashmont station, and testing signals at Central, Park and Downtown Crossing. At Quincy Adams, crews are installing new electrical racks and wiring in the signals room
- **Lookahead** | Testing of signals and installation of new electrical components will continue at Quincy Adams

*Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work

Cabot Yard and Maintenance Facility Updates

Cabot Yard: Upgrade the Yard to increase service capacity, replace outdated infrastructure, and enhance safety.

Cabot Maintenance Facility: Modernize the Vehicle Maintenance Facility to improve vehicle maintenance; reducing rider wait times, provide cleaner cars, and deliver safer operations

*Schedule subject to change with weather conditions and in accordance with public health directives
