

Week in Review and Lookahead

Friday, October 7, 2022

The Red Line Transformation team will host a [virtual public meeting](#) next Thursday, October 13 on the [Codman Yard Expansion and Improvements project](#), scheduled to begin construction later this year. Read below for the latest updates on projects in construction

Codman Yard Expansion and Improvements: Virtual Public Meeting
 Thursday, October 13th at 6:00 PM

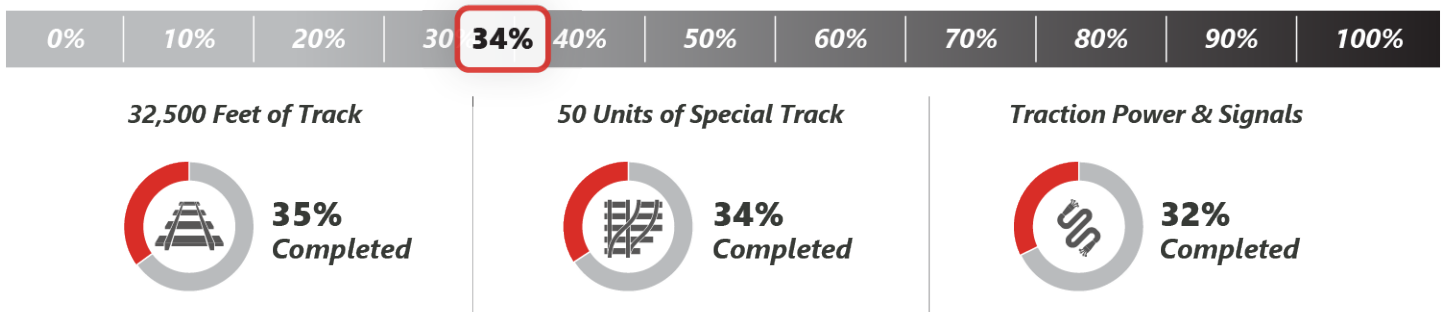

Signal Upgrade

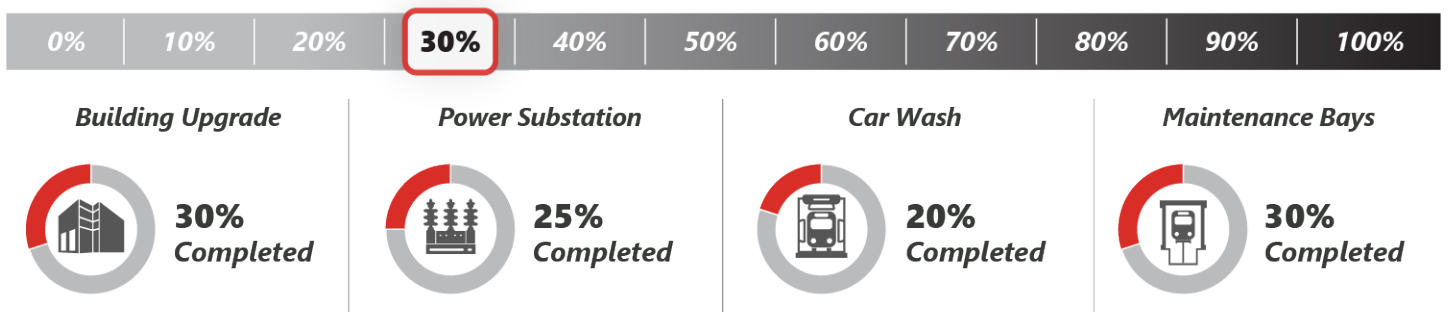

Signal Upgrade: Increasing capacity, through reducing headways with modernized signals.

- ✓ **This Week** | Crews installed new signal cable at the new signal house at Ashmont station. Crews tested signals at Downtown Crossing, Davis and Porter. At Quincy Adams, crews continued the installation of new electrical racks and wiring at the existing and temporary signal houses
- **Lookahead** | Crews will continue testing signals and installing new electrical components at Downtown Crossing, Ashmont, Park St., Davis, Porter and Quincy Adams

Cabot Yard and Maintenance Facility Updates

Cabot Yard: Upgrade the Yard to increase service capacity, replace outdated infrastructure, and enhance safety.

Cabot Maintenance Facility: Modernize the Vehicle Maintenance Facility to improve vehicle maintenance; reducing rider wait times, provide cleaner cars, and deliver safer operations

*Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work
