

Week in Review and Lookahead

Friday, February 3, 2023

This week, the Green Line Transformation team continued to make progress on new projects in design, as we prepare for the 2023 construction season. Read below for the latest updates

D Branch Station Accessibility Improvements

- **Lookahead** | Designs for accessibility improvements at Waban, Eliot, Chestnut Hill, and Beaconsfield stations will continue to advance toward 100% completion. Project features include raised platforms, accessible pathways, and accessible parking spaces. Additional improvements will enhance customer experience at these stations with updated lighting and benches, new customer assistance areas and emergency call boxes
