

Week in Review and Lookahead

Friday, February 10, 2023

This Saturday, February 11th, demolition work at the Government Center Garage will continue, and [shuttles will replace Green Line service from North Station to Government Center](#)

Symphony Station Accessibility Improvements

- **Lookahead** | Preparations continue for utility relocation work ahead of elevator installation for the Symphony Station Accessibility Improvements project. Work will include moving gas lines, internet cables, electrical conduits, and other utilities located around the Huntington Ave and Massachusetts Ave intersection. The Capital Transformation team is planning public meetings to provide more information to the community before the utility work kicks off this spring
