

Week in Review and Lookahead

Friday, March 3, 2023

Green Line Transformation projects in design are continuing to advance, and preparations for Symphony Station utility relocation work are ongoing

Symphony Station Accessibility Improvements

Symphony Station Utility Relocation
Public Meeting: March 16, 2023

- **Lookahead** | The GLT team is hosting a **public meeting** to discuss the upcoming utility relocation work that will precede the elevator construction and station improvement work at Symphony Station. The meeting will be held in the community room at Symphony Towers West, 333 Massachusetts Ave, on Thursday, March 16 at 6:00 PM. Please join us to learn more about upcoming construction and meet the project team
