

## Week in Review and Lookahead

### Friday, May 5, 2023

Utility relocation work for the [Symphony Station Accessibility Improvements project](#) continued this week, and other Green Line projects in design continued to progress.

### Symphony Station Accessibility Improvements

- ✓ **This Week** | Crews excavated an area on the northbound side of Massachusetts Ave and began installation of a new ductbank for Eversource
- **Lookahead** | Work on Massachusetts Ave northbound adjacent to Horticultural Hall will continue
