

Week in Review and Lookahead

Friday, May 5, 2023

Work is continuing on the removal of Red Line speed restrictions, which will require rail, track, and tie replacement through the end of May, except for May 26 - 29 when work will pause for Memorial Day weekend. Check the [Red Line alerts page](#) to stay up to date on changes to service

Signal Upgrades

Signal Upgrades: Increase safety and reliability with modernized signals

- ✓ **This Week** | Work is temporarily on hold until further notice due to the prioritization of other work and MBTA Right-of-Way access constraints

Codman Yard Expansion and Improvements

[Codman Yard Expansion and Improvements](#): Upgrade the yard to increase service capacity, replace outdated infrastructure, and enhance safety

- ✓ **This Week** | Crews continued excavating and sorting the material stockpile where the new storage tracks will be installed
- **Lookahead** | Crews will excavate trenches for the traction power ductbanks that will be installed under the new storage tracks. The ductbanks provide a protected pathway for buried electrical cables from substation to the train
