

Red Line Transformation

Construction Project Updates

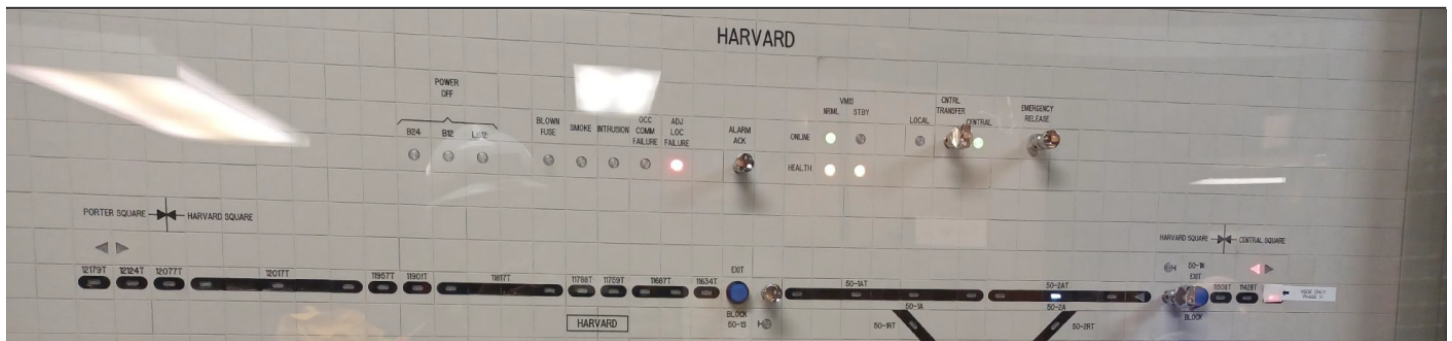

Week in Review and Lookahead

Friday, May 19, 2023

Shuttle buses replace [Red Line service](#) between JFK/UMass and Braintree tonight, May 19, after 8:45 PM. Beginning Saturday, May 20, Shuttle buses replace service between Broadway and Ashmont/Braintree due to track and tie replacement work the weekend of May 20 - 21

Signal Upgrades

Signal Upgrades: Increase safety and reliability with modernized signals

- ✓ **This Week** | Work on the Signal Upgrades project is currently on hold until further notice due to prioritization of other work and MBTA ROW access constraints

*Schedule subject to change with weather conditions and in accordance with public health directives
Project percentages represent the value of the installed work

Codman Yard Expansion and Improvements

Codman Yard Expansion and Improvements: Upgrade the yard to increase service capacity, replace outdated infrastructure, and enhance safety

- ✓ **This Week** | Crews installed precast utility vaults and prepared placement of concrete for the traction power ductbanks
- **Lookahead** | Crews will excavate trenches for traction power ductbanks that will be installed under the new storage tracks. The ductbanks provide a protected pathway for buried electrical cables from the substation to the third rail
