Codman Yard Expansion and Improvements

[Codman Yard Expansion and Improvements](#): Upgrade the yard to increase service capacity, replace outdated infrastructure, and enhance safety

- ✓ **This Week** | Crews installed precast utility vaults, reinforcing steel, and concrete for the traction power ductbanks to provide a protected pathway for buried electrical cables from the substation to the third rail. Additionally, crews demolished and removed rock encountered during the excavation for the ductbanks
- **Lookahead** | Crews will continue to excavate trenches for installation of traction power ductbanks and install manholes under the new storage tracks
