### Informational Stations

### Interactive Stations

<b>1. About the Better Bus Project</b>	<b>5. Your Top 3 Priorities</b>
<p>Learn about the MBTA Bus Network and the project goals and timeline. You can also discuss possible changes to the bus network and the potential benefits of each.</p>	<p>We want to know what you think. What are the top three most important things that the MBTA could do to improve bus service? You can <b>write your responses on sticky notes</b> and place them on the three-sided boards.</p>
<b>2. Service Delivery Policy</b>	<b>6. Your Transit Priorities</b>
<p>Find out more about the MBTA's standards for comfort, reliability, and frequency. Experience the comfort standard in the MBTA's January 2017 Service Delivery Policy.</p>	<p>With limited resources, the MBTA must make some tough decisions to balance service trade-offs. You will receive <b>8 dots</b> which you can place on <b>2 boards</b> to let us know your preference between various service improvements.</p>
<b>3. Municipal Partnerships</b>	<b>7. Bus Service Maps</b>
<p>The MBTA is partnering with municipalities to build relationships, identify opportunities, discuss issues, and take action. Learn about the Transit Signal Priority Pilot and Bus Lane project examples.</p>	<p>Check out our bus service maps and let us know where you think the biggest issues or opportunities for improvement are located. You can <b>write your comments and ideas on sticky notes</b>.</p>
<b>4. Equity and Title VI</b>	<b>8. Feedback Area</b>
<p>Learn how the MBTA follows Title VI of the Civil Rights Act of 1964 and the importance of the equity analysis for a major service change.</p>	<p>What bus routes do you ride? In your opinion, what is the single most important thing that the MBTA could do to improve bus service? You can answer these questions by <b>filling out a survey card</b>.</p>
