

GREEN LINE - D

Track and Signal Replacement

The MBTA invites you to public meetings on the Green Line D Track and Signal Replacement Project

Wednesday, August 29, at 6:00 PM

Brookline Town Hall, 6th Floor

Select Board Hearing Room

[333 Washington St, Brookline, MA](https://www.brooklineinteractive.org/live)

This meeting will be livestreamed at

www.brooklineinteractive.org/live.

Thursday, September 6, at 6:00 PM

Newton Free Library

Druker Auditorium

[330 Homer St, Newton, MA](https://www.brooklineinteractive.org/live)

The MBTA's project to replace 25,000 feet of track and 6.5 miles of signal infrastructure on the Green Line D branch will begin in October. This project is an MBTA initiative to bring the Green Line track and signal systems into a state of good repair. New tracks and a modernized signal system will help improve the reliability of Green Line operations and result in fewer delays between Beaconsfield and Riverside stations. Construction is scheduled to begin in October and continue through December 2020.

From October to December 2018 (and again in 2019 and 2020), shuttle buses will replace Green Line D branch service between Brookline Hills and Riverside on Sundays through Thursdays, starting at 9 PM. Additionally, over 15 weekends in 2019 and 2020, bus shuttles will replace train service on portions of the D branch all day Saturday and Sunday.

At these meetings, the MBTA and the project team will present the construction phasing and schedule, discuss the noise impacts and mitigation measures, review the plans for each station, and answer questions.

Visit the project website, www.mbta.com/GreenLineD, for more information and to sign up for email updates. For project questions or comments, please email: DBranchInfo@MBTA.com

These meetings are accessible to people with disabilities and those with limited proficiency in English. Accessibility accommodations and language services will be provided free of charge, upon request, as available. Such services include documents in alternate formats, translated documents, assistive listening devices, and interpreters (including American Sign Language). For more information or to request reasonable accommodation and/or language services, please email ssouto@reginavilla.com or call 617-357-5772 x18 by August 22.
