current levels of transit and bus service for the duration of the project. Parking service will be reduced and at times fully relocated during construction. Construction is scheduled to last approximately 7 months and will begin in April, 2018.

The Massachusetts Bay Transportation Authority (MBTA) is currently working with Wynn Boston Harbor to implement roadway and transportation improvements to Sullivan Square including the reconstruction of the MBTA's Sullivan Square Station lower busway and parking to enhance the level of service, performance, and passenger safety. Located in front of the Sullivan Square Transit Station, the upper and lower busways connect 12 bus lines serving Boston, Malden, Medford, Somerville, Cambridge, and Everett. Wynn is privately funding these improvements and no public or tax payer funds are being used to pay for these improvements.

The planned improvements will upgrade, replace, or repair the roadway surface, pavement markings, drainage, bus shelters, lighting, security, traffic and wayfinding signage, and landscaping. Improvements have been designed to improve traffic flow around the station, enhance pedestrian, bicycle and customer safety, increase bus operation capacity and efficiency, and improve the station's accessibility.

The construction will be phased to minimize disruptions to MBTA customers and maintain the

### Accommodations

The meeting location is accessible to people with disabilities. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request (including but not limited to interpreters in American Sign Language and languages other than English, open or closed captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille and large print), as available.

For accommodation or language assistance, please contact Trish Foley by phone **(857-368-8907)**, or by email at **trish.foley@dot.state.ma.us**

Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten (10) business days before the meeting.

In case of inclement weather, meeting cancellation announcements will be posted on the internet at MBTA.com
